The Central Cascades offer some of the most accessible wilderness areas for urban Seattleites, with trails no less stunning or enjoyable than those in more remote regions. *Day Hiking Central Cascades* includes 50% more hikes than other regional guidebooks and focuses on cream-of-the-crop trails in these areas: Whidbey Island; Skykomish, Wenatchee, and Icicle River Valleys; the Entiat Mountains; the Lake Chelan area; and more. Compact in size, this is the most up-to-date guide for the area, organized along highways and other travel corridors, and with an emphasis on trails that are 12 miles or less, round-trip, each of them hiked by the author.
