## **Down Under in the Top End: Penelope heads north** Tim Bowden

Tim Bowden loves a good yarn. He also loves travelling with his wife Ros, their four-wheel drive and camping trailer, and setting up camp under bush skies. In *Down Under in the Top End* he combines all three to take us on one of the world's great road trips, from Australia's east coast to the Top End and into the heart of the outback.

Told with wry humour, an infectious enthusiasm for history and a nose for finding great stories, Tim lays bare the hardships of bush life and celebrates the joys and freedoms of being on the road. He takes us to a pub with no beer at Gregory Downs, has us paddling a kayak between the red granite cliffs of Lawn Hill Gorge, teases us with the pleasures of being an overnight guest in Darwin's Government House and leaves us wondering what a statuesque and topless German tourist was doing striding down the Stuart Highway.

And all along the way, he introduces us to characters only the outback could throw up, fellow travellers, and extraordinary tales of exploration and unexpected immigration. With Tim Bowden as your guide, *Down Under in the Top End* will have you packing your bags, putting your belongings into storage and taking to the road.
