Classic Battletech Miniatures Rules Fanpro

It is the 31st century—a time of war. Vast star empires struggle for control of thousands of star systems light years apart. The ultimate weapon on these future, alien landscapes is the BattleMech®. Thirty feet tall and weighing up to a hundred tons, this humanoid engine of destruction is a walking arsenal with enough firepower to level a city block.

The Classic BattleTech Miniatures Rules™ set allows players to leave behind their paper maps and cardboard counters and jump into the exciting visual world of BattleTech® miniatures and full 3-D terrain. Lavishly illustrated with over a hundred photos, this book is a visual feast that brings the might and majesty of the marching armies—including every unit logo and flapping banner—of the Clans and House lords to the players.

This book also features a complete section on the MechWarrior: Dark Age™ game produced by WizKids Games LLC. This includes an introductory section and a color photo of every new infantry unit, vehicle and BattleMech in the game, quickly bringing BattleTech fans up to date on the MechWarrior: Dark Age universe. A rules section also allows players to use MechWarrior: Dark Age miniatures with Classic BattleTech rules. With the record sheet that will be published in the Classic BattleTech Record Sheets: MechWarrior Dark Age I, a whole new world of BattleTech play is available!
