**Messianic Judaism: A Rabbi's Journey Through Religious Change in America** Carol Harris-Shapiro  
When first published, MESSIANIC JUDAISM stirred controversy throughout the country. The first book to critically examine the role of Messianic Jews in American religious life, it traces the history of this faith that accepts Jesus as the savior from its late nineteenth-century origin in evangelical Christian missions. Reconstructionist Rabbi Carol Harris-Shapiro bases this portrait on her conversations with members of a large Messianic Jewish community. MESSIANIC JUDAISM adds significant new insights into the nature and varieties of religious experience in United States.
