More Than Words: Bestselling authors and real-life heroines

Every year, Harlequin's More Than Words award is given to three real-life heroines, women whose courage and vision have helped change people's lives for the better. Once again, three bestselling Harlequin authors have written stories inspired by these remarkable women.

In *The Gift of a Good Start*, teacher Olivia Harris could lose more than her job when budget cuts threaten to close her school. Olivia's nonprofit group, which helps students in need, is also at risk.

Determined to save her charity, Olivia attends an awards banquet, hoping to meet potential donors. Handsome and charismatic Langston Hill supports the Children's Hospital, and at first, Olivia thinks he could be an ally, someone to help her nonprofit reach the next level. But Langston works for the board of education—he's on the committee that's trying to close her school. Olivia cares about Langston, but how can she love a man who might be responsible for shattering her dreams?

Look for all three ebooks inspired by real-life heroines: *Red at Night* by Katie McGarry, *You Are Here* by Liz Fichera and *The Gift of a Good Start* by Earl Sewell.
