## **His son was his life...until he met his new "wife"**

From the moment he first saw his son, ranchman Dylan Greer knew the baby he'd adopted was his in every way that mattered. And no one—not even the beautiful, strong-willed cop who claimed she was the child's mother—was going to change that. Collena Drake swore a criminal ring had stolen her baby and that someone was crossing every line to keep the illegal adoption secret.

Now, in order to protect one innocent child, Collena makes Dylan a tempting offer: get married and share custody. As a businessman, he thinks the plan brilliant. But as a man...resisting his "bride," especially as the danger mounts, will be almost impossible.
