American Jewish Year Book 2012

American Jewish Year Book 2012

The 2012 *American Jewish Year Book*, “The Annual Record of American Jewish Civilization,” contains major chapters on Jewish secularism (Barry Kosmin and Ariela Keysar), Canadian Jewry (Morton Weinfeld, David Koffman, and Randal Schnoor), national affairs (Ethan Felson), Jewish communal affairs (Lawrence Grossman), Jewish population in the United States (Ira Sheskin and Arnold Dashefsky), and World Jewish population (Sergio DellaPergola). These chapters provide insight into major trends in the North American and world Jewish community. The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations, Jewish Community Centers, national Jewish organizations, Jewish overnight camps, Jewish museums, Holocaust museums, local and national Jewish periodicals, Jewish honorees, major recent events in the American Jewish community, and academic journals, articles, websites, and books. The volume should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers, the press, and others interested in American and Canadian Jews.?

Josephine Draughn:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this American Jewish Year Book 2012 can make you experience more interested to read.
