Over 30 striking lattice designs offer a splendid variety of bold images to color. Based on mathematical analysis of age-old geometric compositions, these computer-generated designs feature beautifully symmetric patterns of stars, circles, and polygons. Originally published as *Geometric Allover Patterns*. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, *Geometric Allover Patterns* and other Creative Haven® coloring books offer an escape to a world of inspiration and artistic fulfillment.
