**Sleeping Beauty has sworn off kissing...**

Emma awakens to an entirely different world than the one she lived in a thousand years ago, and although she's the real Sleeping Beauty, her life is no fairy tale. After parting ways with her supposed Prince Charming, she's determined to be a normal girl—she hides her magic and swears off kissing strange men.

But her gorgeous boss Michael knows there 's something unusual about Emma, and he thinks she's as infuriating as she is beautiful. Now Emma needs to teach Michael a lesson, which means mastering her magic. She knows she's flirting with danger, but after one look at Michael's perfect lips, all she can think is, "What's another thousand years ... ?"

Welcome to the fractious fairy tale world of Kristine Grayson, where the bumpy road to happily ever after is paved with surprises ...

**Praise for *Wickedly Charming***

"Unusual, whimsical, and wickedly clever, this funny romp takes a decidedly offbeat look at fairy tales from the characters' point of view, with delightful, magical results."—*Library Journal*
