Héctor Aguilar Camín, Lorenzo Meyer

In the Shadow of the Mexican Revolution: Contemporary Mexican History, 1910'Àì1989 (Translations from Latin America Series) Héctor Aguilar Camín, Lorenzo Meyer

Héctor Aguilar Camín and Lorenzo Meyer, two of Mexico's leading intellectuals, set out to fill a void in the literature on Mexican history: the lack of a single text to cover the history of contemporary Mexico during the twentieth century. *A la sombra de la Revolución Mexicana*, now available in English as *In the Shadow of the Mexican Revolution*, covers the Mexican Revolution itself, the gradual consolidation of institutions, the Cárdenas regime, the "Mexican economic miracle" and its subsequent collapse, and the recent transition toward a new historical period.

The authors offer a comprehensive and authoritative study of Mexico's turbulent recent history, a history that increasingly intertwines with that of the United States. Given the level of interest in Mexico—likely to increase still more as a result of the recent liberalization of trade policies—this volume will be useful in affording U.S. readers an intelligent, comprehensive, and accessible study of their neighbor to the south.
