The Pilgrimage Sean Doherty

Surfing is an obsession, and many a surfer has thrown away life-as-he-once-knew-it for a single wave. In "The Pilgrimage" some of the world's top surf writers pay tribute to 50 of the best - the breaks which have become so much part of surfing folklore that they've developed a life force of their own. Magic amalgams of rock, sand and saltwater, they are capable of everything a wave is capable of. This book is sure to become a classic. The text creates a great sense of place, and there's practical information on getting to (nearly) every break, the best time to go, what to take, where to stay, and what to look out for. "The Pilgrimage" is the perfect read for anyone who has ever caught - or tried to catch - a wave, from grommets to geriatrics. Its destinations include Australia and New Zealand, Indonesia and southern Asia, the north and south Pacific, Africa and the Indian Ocean, Europe and Great Britain, North and South America.

From reader reviews:

Maxine Elam:

As people who live in the actual modest era should be up-date about what going on or information even knowledge to make these individuals keep up with the era which is always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what type you should start with. This The Pilgrimage is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Kristin Walker:

This The Pilgrimage is great reserve for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. That book reveal it info accurately using great organize word or we can declare no rambling sentences within it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with splendid delivering sentences. Having The Pilgrimage in your hand like getting the world in your arm, info in it is not ridiculous one particular. We can say that no guide that offer you world in ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt which?

Peter Robey:

As we know that book is essential thing to add our understanding for everything. By a guide we can know everything we would like. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This e-book The Pilgrimage was filled regarding science. Spend your extra time to add your knowledge about your technology competence. Some people has various feel when they reading some sort of book. If you know how big good thing about a book, you can feel enjoy to read a publication. In the modern era like today, many ways to get book that you simply wanted.

Lois Hutter:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Pilgrimage can make you sense more interested to read.
