**KISS Au-delà du masque (French Edition)** David Leaf, Ken Sharp

« Pour eux, il était dans la nature de KISS d'être à contre-courant, en opposition avec la mentalité mainstream du show-business. Cette musique était à l'image de ses fans boutonneux, bardés de fringues fatiguées, pas marginaux mais presque, et en conflit permanent avec les conventions. KISS représentait des personnages de comics dont le public semblait friand » – dixit Bob Ezrin, producteur de KISS. Cette biographie nous révèle tout du groupe, sur quarante années de carrière explosive et de chansons inoubliables. La vie intime d'un des plus grands groupes de rock se dévore, tableau brossé à grands traits par les proches – producteurs, musiciens et cetera – nos quatre héros, Paul, Gene, Peter et Ace – et les autres. Cette découverte du fonctionnement intime d'un groupe nous révèle les ficelles du triomphe ; la route est longue, jusqu'au succès.
