The Voyages of Jacques Cartier (Exploration Through the Ages) Richard Humble

Part of a series telling the stories of important voyages of discovery. The books describe challenges and hardships faced by those who set out to discover new lands, new ocean passages, to open up new trade routes or to win fame and fortune. This book tells the tale of the French explorer, Jacques Cartier, who voyaged up the St Lawrence River to reveal the vast and fertile land of Canada. The author portrays his meetings with the Indians, his adventures and achievements which led to the establishment of a French colony in the Americas. This book supports Key Stage 2 of the History National Curriculum where it focuses on exploration 1450-1550.
