Chiapas: el otro Bicentenario: Creer para crecer (Spanish Edition)

José Antonio Aguilar Bodegas

Chiapas: el otro Bicentenario: Creer para crecer (Spanish Edition) José Antonio Aguilar Bodegas
José Antonio Aguilar Bodegas -como muchos otros chiapanecos- repregunta qué tan atinada fue la decisión de los habitantes de esta región, hace casi dos siglos, de federarse a México. Este cuestionamiento no deriva en un asunto de política o historia ficción ni en un recuento de recriminaciones, sino en el análisis de las fortalezas de Chiapas y en la prospectiva de su desarrollo e influencia en la vida nacional para los años venideros. Conocedor como pocos de su estado, Aguilar Bodegas hace un recorrido por la historia de Chiapas, por las diversas regiones, su gente y recursos para proponer una agenda de asuntos públicos que tienen que ver con el desarrollo económico sustentable y el crecimiento educativo y cultural. Chiapas: el otro Bicentenario constituye fascinante viaje por el mundo heredero de la gran cultura maya.

A través de sus páginas recorreremos las selvas y los bosques; las grutas, los ríos caudalosos y las cascadas; los cañones y desfiladeros; los valles y las playas. Este libro representa una magnífica oportunidad para ahondar en la historia del único estado que por decisión propia se anexó a nuestro país, y también para conocer de cerca de todo un pueblo de cultura y lenguas vivas. En definitiva, se trata de una obra donde es posible vislumbrar un futuro venturoso.
