El amor verdadero (Nuevos Tiempos) (Spanish Edition) Jose María Guelbenzu

¿Qué es lo que hace que todos los enamorados se prometan fidelidad en un mundo en el que la duración es un valor casi inexistente? El amor verdadero narra la historia de amor y lealtad de una pareja, que se prolonga a lo largo de más de cincuenta años de vida, desde 1945 hasta 2005, y es, sobre todo, una reflexión sobre el sentido del amor, sobre el valor del esfuerzo y sobre el deseo de permanencia, complicidad y entendimiento entre dos personas que deciden libremente asumir los riesgos y las consecuencias de intentar mantener vivo su sentimiento a través del tiempo. Este libro cierra un ciclo de novelas que puede considerarse la crónica moral de una generación universitaria, la que accedió a la Universidad a principios de los años sesenta, iniciada con la publicación de un libro que es ya un hito en la historia de la novela española, El Mercurio, publicado en 1968 y punto de partida de una nueva narrativa que rompía de manera tajante con la tradición anterior. El amor verdadero, crónica de vida personal e histórica que culmina ese ciclo de novelas, es, muy probablemente, la obra más ambiciosa de su autor.
