Around London in 80 Beers Chris Pollard, Siobhan McGinn

The book that first turned the '80 Beers' concept into a series and that predicted the craft beer revolution in the British capital remains a classic of its time. Unlikely to be repeated due to the plethora of London pub guides that have followed, every collector and anyone interested in the story of how beer developed should have one. London invented multi-cultural. Its cosmopolitan from the beginning of the cosmos. So it follows that Around London in 80 Beers will feature beers of every style and strength from all over the UK and the rest of the world. The only common theme is that they are all great beers - not simple liquids for simple tastes. So it goes with the outlets, which include all conceivable types of beer-selling operation and several you would not imagine to have an interest in quality brewing.
