## **Over His Dead Body (Glass, Leslie)** Leslie Glass

In this delightfully infectious novel of love and intrigue, Leslie Glass puts a sly and sexy spin on two of life's most devastating certainties: death and taxes.

Cassandra Sales is a woman with a gift for nurturing things—her husband, the successful wine importer; her two adult children; the fabulous flowers in her garden. After twenty-six years of marriage, however, Cassie's husband, Mitch, is spending more time skipping abroad than remaining at home with her. Tired of being a modest Long Island housewife who can't even remember what it's like to be kissed, Cassie has a face-lift to recapture her youthful allure. The surprise for her husband goes awry when Mitch returns home early from a business trip. When he sees the post-op horror show, he collapses on the spot.

The resulting coma may spare Mitch from the tax audit he's facing, but Cassie is forced to step in and research the facts of her own life. What she discovers about Mitch and the family business shocks her to the core: her "loving" husband was preparing to divorce her, swindle her out of tons of money, and run off with another woman.

As Cassie recuperates, she realizes what she's after is revenge. Big time. But she soon learns that the road to retribution can lead to unforeseen and often deadly complications.

In *Over His Dead Body*, Leslie Glass blends supreme suspense and warm-hearted romantic comedy into a perfect mélange that is as inevitable as. . . death and taxes.
