The Berenstain Bears' Nursery Tales Stan Berenstain, Jan Berenstain
Three classic stories from the creators of the Berenstain Bears

Goldilocks sneaks into the home of three fearsome bears and searches for a bite to eat and a place to sleep—but everything is too cold or too hot, too soft or too hard! The industrious Little Red Hen works to plant some wheat to bake bread—but none of the other animals will help her! And when the Gingerbread Man comes to life, he runs all over the land, taunting everyone by saying that no one will ever catch him.

For four decades, Stan and Jan Berenstain charmed readers all over the world with the vibrant drawings and lively storytelling of the Berenstain Bears. Here, the masters of children's literature turn to three classic nursery stories, illustrated in the Berenstain style that children love so much.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
