William Joyce

E. Aster Bunnymund and the Warrior Eggs at the Earth's Core! (The Guardians Book 2) William Joyce

Forget the bunny trail....In this addition to the groundbreaking series from the legendary William Joyce, Guardian E. Astor Bunnymund is on the warpath.

Pitch, the Nightmare King, and his Fearlings had been soundly driven back by Nicholas St. North and company in the first Guardians' adventure. But now Pitch has disappeared completely—and out of sight does NOT make for out of mind. It seems certain that he's plotting a particularly nefarious revenge, and the Guardians suspect he might have gone underground. But how can they find him there?

Enter E. Aster Bunnymund, the only emissary of the fabled brotherhood of the Pookas—the league of philosophical warrior rabbits of imposing intellect and size. Highly skilled in martial arts (many of which he invented himself), Bunnymund is brilliant, logical, and a tunnel-digger extraordinaire. If the Guardians need paths near the Earth's core, he's their Pooka. He's also armed with magnificent weapons of an oval-sort, and might just be able to help in the quest for the second piece of the *Moonclipper*.

This second book in The Guardians series is about much more than fixing a few rotten eggs—it brings the Guardians one step closer to defeating Pitch!
