## **Jack** Tomie dePaola

Beloved author-illustrator Tomie dePaola's take on traditional "Jack tales"—in which a young hero ventures out to seek his fortune and gains it through luck or pluck—is perfect for preschoolers. His hero's reward is a wealth of animal friends who increase in number—and volume—as the story progresses. When Jack sets out to see the world and find a place of his own, he's surprised to attract a following of enthusiastic animal friends eager to join him on his quest. Jack and his entourage all have high hopes that they will find just what they are looking for as they travel on their merry way. Children will delight in the cumulative chorus of animal sounds as the pages get more and more crowded with the residents of this delightful kingdom.
