Shy Little Moth (Flutterbugs) Elizabeth Lawrence

Little Moth feels very shy. "Although it looks like fun . . . to play with all the other moths. I'm scared of everyone!" Covers and pages of *Flutterbugs* books are shaped to look like friendly flying bugs with very large wings. Each of these books for toddlers comes with fanciful color illustrations and a brief story told in clever little rhymes. Foil areas on the brightly colored wing sections of each cover glitter brightly as they reflect the room's light. The board covers and pages are sturdy, but are smoothly shaped without any sharp edges, so that they're completely safe for baby. Toddlers will love the illustrations and delight in hearing the rhymes read aloud to them.
