Studying Shakespeare's Contemporaries Lars Engle, Eric Rasmussen

Studying Shakespeare's Contemporaries is an accessible guide to non-Shakespearian English drama of the late 16th and early 17th centuries. Featuring works of prestigious playwrights such as Kyd, Marlowe, Jonson, Webster, and Middleton, Lars Engle describes the conditions under which Renaissance plays were commissioned, written, licensed, staged, and published. Plays are organized by theme and explored individually, creating a text that can be read as a complete overview of English Renaissance drama or used as an indexed reference resource.
