The Promise

Ben Brown

The Promise Ben Brown

It's the beginning of World War I and Herbert Samuel - the first practicing Jew ever to sit in a British Cabinet - dreams of using British power to back a return of the Jews to Palestine after 1800 years. However, his cousin, Edwin Montagu - also in the Cabinet - is implacably opposed to the idea, a conflict complicated by Montagu's passion for the beautiful aristocrat, Venetia Stanley, a confidante of the Prime Minister, Herbert Asquith.

Politics, religion and love collide with world-changing effect in this new play of political and sexual intrigue, and the origins of Israel.

The Promise premiered at the Orange Tree Theatre in February 2010.

From reader reviews:

Ramona Johnson:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each e-book has different aim or even goal; it means that book has different type. Some people experience enjoy to spend their a chance to read a book. They may be reading whatever they acquire because their hobby is definitely reading a book. Why not the person who don't like studying a book? Sometime, man or woman feel need book once they found difficult problem or maybe exercise. Well, probably you will require this The Promise.

Sammy McManus:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know what one you should start with. This The Promise is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Brandon Harmon:

Do you considered one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys that aren't like that. This The Promise book is readable simply by you who hate those perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to offer to you. The writer connected with The Promise content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the content but it just different available as it. So , do you nonetheless thinking The Promise is not loveable to be your top checklist reading book?

Rene Hudson:

Do you like reading a guide? Confuse to looking for your selected book? Or your book has been rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes studying, not only science book but also novel and The Promise or even others sources were given know-how for you. After you know how the truly amazing a book, you feel want to read more and more. Science reserve was created for teacher or students especially. Those guides are helping them to put their knowledge. In other case, beside science e-book, any other book likes The Promise to make your spare time far more colorful. Many types of book like this one.
