## **Beady Bear: With the Never-Before-Seen Story Beady's Pillow** Don Freeman

Upon its 1954 debut, the cuddly classic *Beady Bear* was praised by *The New York Times* as "the kind of book small children will delight in." Don Freeman, author of the acclaimed children's story *Corduroy*, recounts the whimsically illustrated tale of a wind-up toy who longs to live like a real bear. When Beady learns that bears are brave and live in caves, he resolves to give it a try ? and discovers that being real is actually about loving and being loved.

This longtime favorite is presented for the first time with its previously unpublished sequel, *Beady's Pillow*, another heartwarming charmer only recently discovered by the author's son. Beady's friend Thayer sets out to retrieve a pillow that the adventurous bear has lost, and when Thayer disappears into a cave and doesn't come out, Beady has a chance to prove his bravery.
