Moonfire Linda Lael Miller

An American beauty stranded by a shattered promise on Australia's vast shores. . . .

After sailing to Australia only to find that the man who asked her to marry him has no intention of fulfilling his part of the bargain, Maggie Chamberlain vows to shape a new life for herself in Sydney. Then arrogant, wealthy Reeve McKenna captures Maggie's untried heart, thrilling her senses with the sweet, dark rush of desire. But Reeve cannot be hers alone, for he is obsessed by his search for his beloved brother James, lost two decades before. Reeve's fierce hunger for the Yankee beauty is not yet love, and Maggie wants both the breathless pleasure of his passion and the full surrender of his heart—or nothing at all.

One of America's most romantic writers, Linda Lael Miller brings the white-hot passion of *Moonfire* to the Australian frontier country in this sensuous story of two lovers bound by desire.
