A photographic parade of great historic tanks -- with over 200 styles and models on display in vivid color, some so rare you'll never see them in antique military exhibitions! Others showcase the "land crabs" of World War I, the more than 1,300 Iraqi tanks swiftly destroyed during Operation Desert Storm, and tanks of all countries in World War II and Korea. Complete with detailed descriptions of their development, specifications, and historic achievements. Once more, legendary names pass by, from the Mk.IV to the Panzer, all bearing the memories of those who fought and died with them.
