An Interactive Biography of Theodore Roosevelt Charles River Editors

Includes 4 videos of Teddy giving speeches, participating in parades, and being inaugurated as President.

Includes audio of a speech Teddy gave in 1901 attacking the Democratic Party bosses.

Includes pictures of Teddy and important people, places, and events in his life.

Includes a Bibliography for further reading.

Everyone has read about history's most important people and events in dense textbooks and classrooms, but words can only say so much. In Charles River Editors' Interactive Biography series, history comes to life in video and audio, allowing people to not only read history but truly experience it, through the eyes and ears of the people who were there.

For a man who grew up to become the "Bull Moose", Theodore Roosevelt was a sickly child, suffering from asthma and other maladies. But his physical weakness actually drove him to be more active, which also fostered an interest in nature. It also helped that Teddy's family was wealthy, allowing him privileges including home school and the ability to attend Harvard, where he was an athlete and took an interest in naval affairs. After finishing at Harvard, Teddy entered politics, but it didn't stop him from writing *The Naval War of 1812* in 1882, establishing himself as a professional writer and historian.

In the 1890s, it was Teddy's turn to make history, leading the Rough Riders during the Spanish-American War and being decorated for his service with a Medal of Honor. He parlayed his glory into the governorship of New York and then the Vice Presidency under William McKinley. When McKinley was assassinated in 1901, young Teddy was thrust into the presidency, one that would earn him a place on Mount Rushmore, Roosevelt's "Square Deal" domestic policies favored average citizens while busting trusts and monopolies. Roosevelt also promoted conservation as an environmental stance, while his "speak softly and carry a big stick" foreign policy is still an oft used phrase today. Roosevelt even earned a Nobel Prize during his presidency.

By the time Roosevelt died in 1919, he was an American icon. Today, Teddy is remembered for being an explorer, hunter, author, soldier, president, and safari adventurer, all of which combine into one unique reputation. As with all legends, Roosevelt is often portrayed more as a quintessential man's man, to the point that the legend obscures the actual man. An Interactive Biography of Theodore Roosevelt covers the amazing and various facets of Roosevelt's life and career, while also looking at his personal life and assessing his ongoing legacy. Along with video, audio, and pictures of Roosevelt and other important people and events in his life, you will learn about the Bull Moose like you never have before.
