**Gone Too Deep (Search and Rescue)** Katie Ruggle

**In the remote Rocky Mountains, lives depend on the Search & Rescue brotherhood. But in a place this far off the map, trust is hard to come by and secrets can be murder...**

George Holloway has spent his life alone, exploring the treacherous beauty of the Colorado Rockies. He's the best survival expert Search and Rescue has, which makes him the obvious choice to lead Ellie Price through deadly terrain to find her missing father. There's just one problem-Ellie's everything George *isn't*. She's a city girl, charming, gregarious, delicate, *small*. And when she looks up at him with those big, dark eyes, he swears he would tear the world apart to keep her safe.

With a killer on the loose, he may have no choice.

Ellie's determined to find her father no matter the cost. But as she and her gorgeous mountain of a guide fight their way through an unforgiving wilderness, they find themselves in the crosshairs of a dangerous man in search of revenge. And they are now his prey...

### From reader reviews:

#### **Anita Jones:**

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want feel happy read one along with theme for entertaining for example comic or novel. The Gone Too Deep (Search and Rescue) is kind of e-book which is giving the reader unpredictable experience.

#### **Adela Valenti:**

Information is provisions for individuals to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Gone Too Deep (Search and Rescue) as the daily resource information.

#### **James Butler:**

The reason? Because this Gone Too Deep (Search and Rescue) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

#### **Donna Robinson:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Gone Too Deep (Search and Rescue) can make you feel more interested to read.
