Arvind Kejriwal is the man of the hour but who exactly is Arvind Kejriwal? What was he doing before he suddenly burst upon the scene and captured the hearts of the aam aadmi?

‘Into that Heaven of Freedom’ is the story of Arvind Kejriwal before the Lokpal movement of 2011, before he formed the Aam Aadmi Party. This fascinating story, extracted from the best-selling book ‘I Have a Dream’ gives you a glimpse into how an IIT engineer became an activist and changemaker. As Joint Commissioner of Income Tax, Arvind first waged a secret war against corruption within his own department. This led to the formation of ‘Parivartan’, a citizens’ movement which fought many battles for the common man in Delhi using RTI (Right to Information Act).

This ebook contains a new foreword by the author and previously unpublished portions of the original interview, where Arvind presents a powerful case for Swaraj or ‘true democracy’. A must read for all those who want to know and understand the way Arvind Kejriwal’s mind works.
