Rogue Soldier Dana Marton

FIRE AND ICE WERE ALWAYS A DEADLY COMBINATION

Savvy and headstrong, former special agent Tessa Nielsen could handle whatever the Alaskan wilderness threw at her: extreme cold, polar bears, even her arms-dealer captors. But what she couldn't handle was being so close to the man who'd returned to "rescue" her. Three years earlier, Mike McNair had taken her innocence, then terminated her from Special Forces. But his gallant reappearance made one thing Alaska-air clear—the heat between them was still scorching. Now, without CIA sanction, Tessa and Mike alone had to brave frigid environs to stop a shipment of nuclear warheads from leaving the country...using only their wits—and their warm bodies—to stay alive.
