Surgical Technology: Principles and Practice (Surgical Technology Principles and Practice) Joanna Kotcher Fuller

Deliver the best patient care before, during, and after surgery with this straightforward, step-by-step guide to surgical skills and operating room procedures. It provides comprehensive coverage of all the updated AST Core Curriculum, 6th Edition components - health care sciences, technological sciences, patient care concepts, surgical technology, and surgical procedures. A mentoring approach makes even complex skills and techniques easy to understand. User-friendly features such as full-color illustrations, chapter outlines and summaries, review questions, critical thinking exercises, and technique boxes help you focus on the most important concepts and make it easier to retain and recall critical information.

- **Chapter objectives** correspond to the latest AST Core Curriculum objectives to ensure you have access to the most reliable information in the operating room.
- **Enhanced critical thinking scenarios** at the end of each chapter help you strengthen your critical thinking and clinical decision-making skills and highlight practical applications of key concepts.
- **Additional information on special populations**, including bariatric, pregnant, physically or mentally challenged, isolation, trauma, language barrier, and substance abuse patients, highlights important considerations for the surgical technologist regarding transfer, preparation, and procedure set up.
- **Expanded coverage of surgical lasers** keeps you up to date with the latest technology so you can effectively assess the function, assembly, use, and care of equipment in the surgical suite.
- **UPDATED!** Coverage reflects the new **AST Core Curriculum, 6th Edition** to keep you current.
- **NEW!** Chapters on *Disaster Preparedness and Response* and *Transplant Surgery* offer cutting-edge information on these key topics.
- **Coverage of the Assistant Circulator role**, as well as a break down of first and second scrub roles, help you better understand the responsibilities of each member of the surgical team.
