A television reporter is forced to turn detective in order to solve a bizarre riddle and try to prevent one of the worst terrorist atrocities Britain has ever known. The young are set against the old, today against tomorrow, in a deadly battle between warring generations and conflicting visions for an uncertain future. Written by a journalist with more than twenty years' experience in the TV industry, 'The Dark Horizon' tackles one of the greatest scandals of our time, and provides a new twist on the crime fiction genre with an insight into the subtle ways the police can use the media to help them crack crimes.
