Chasing an Elusive God: The Bible's Quest and Ours Ray Vincent

Is there anyone “up there” to hear our cries for help? Will there ever be justice in this world? Why do we suffer? Is there life after death? Is there a meaning in history? How will it all end? Is there a God? What do we mean by “God” anyway?

The answers are in the Bible, some say. But are they? This book is a guide to reading the Bible not to find answers but to hear the urgency of the questions and to realise that those who wrote the Bible were searching too. They searched in many different ways. Sometimes what they say seems alien to our way of thinking. Sometimes we feel they are kindred spirits. Sometimes they challenge us to think again. Often they argue with one another, and as we read their words and respond to them we become part of the ongoing conversation. This, rather than false notions of “authority”, is what makes the Bible relevant and exciting.
