**The Weird Sisters [Kindle Edition]** Eleanor Brown

**This is the "delightful" (*People*) *New York Times* bestseller that's earned raves from Sarah Blake, Helen Simonson, and reviewers everywhere-the story of three sisters who love each other, but just don't happen to like each other very much...**

Three sisters have returned to their childhood home, reuniting the eccentric Andreas family. Here, books are a passion (*there is no problem a library card can't solve*) and TV is something other people watch. Their father-a professor of Shakespeare who speaks almost exclusively in verse-named them after the Bard's heroines. It's a lot to live up to.

The sisters have a hard time communicating with their parents and their lovers, but especially with one another. What can the shy homebody eldest sister, the fast-living middle child, and the bohemian youngest sibling have in common? Only that none has found life to be what was expected; and now, faced with their parents' frailty and their own personal disappointments, not even a book can solve what ails them...

*From the Trade Paperback edition.*
