Amherst and Hadley: Through the Seasons (Images of America (Arcadia Publishing)) Daniel Lombardo

Nestled deep in the Connecticut River Valley are

Amherst and Hadley, two New England towns responsible for the inspiration of many classic poets, writers, and thinkers of America. In *Amherst and Hadley: Through the Seasons*, the landscape changes continuously throughout the seasons. Each season brings its own natural beauty and dangers, from the scorching summers to the bitter winters.

This photographic history offers a rare glimpse of Robert Frost's world of fire and ice. Visit a place where Ralph Waldo Emerson ate dinners with Emily Dickinson's family and see the site on which Noah Webster founded Amherst College. Look through a visual record of small towns, where the seasonal changes of the hills, fields, and woods inspired local writer Ray Stannard Baker and area photographer Clifton Johnson. Meander through a place that left fond memories in the hearts and minds of former Supreme Court Chief Justice Harlan Fiske Stone and writer Sylvia Plath.
