If you watch certain reality shows, you might think you know all about the private lives of professional athletes and the women with whom these celebrities are involved. The women often are portrayed as shallow or demoralizing causers of drama. Now, author M. S. Lily Stargazer is here to tell you otherwise. Lily met Clay in college and went on to travel the world with him as he excelled in his sport. She experienced it all-the fast life, the fame, and the money-but unlike so many others who were dazzled by the glittering world of professional sports, she managed to stay grounded. In the Shadows of Glory ... My NBA Life offers an in-depth, poignant account of living day to day with an NBA player-in fact, living with the NBA itself-from the perspective of "a girl who enjoyed life and fell in love with an athlete, a basketball player."
