Spared Angola: Memories from a Cuban-American Childhood

Virgil Suarez

Spared Angola: Memories from a Cuban-American Childhood Virgil Suarez

The moving collection evokes the agony and frustration borne of growing up in terminal exile and cultural limbo. But, from anguish and turmoil, the artist has wrought inspiration and crafted one of the most eloquent and commanding voices of contemporary Latin American literature. "This slim volume is studded with poetry that adds depth to the characters and action ... With short chapters that flow fluidly between the first and third person, Suárez reflects on 36 years as an outsider and on the memories--and the record of them--that kept him sane" (from Publishers Weekly).
