War of 1812

Victor Suthren

War of 1812 Victor Suthren

It was by far the bloodiest, most dramatic, and longest-running war to take place on Canadian soil. Full of acts of great folly and great courage, and marked by the actions of larger-than-life characters, such as General Isaac Brock and Tecumseh, it left Canadians and Americans with a clearer sense of who they were – or who they were not. It taught the British a lesson on the limits of power, and the Natives on the western frontier lost their last hope of a homeland secure from western expansion. Author and historian Victor Suthren has written a dramatic and informative book on this pivotal moment in our past, unravelling the story of a complex struggle, and bringing the battles and the many fascinating personalities vividly to life. The result is an excitingly written, heavily illustrated, full-colour history. Written to tie in with History TV's mini-series "The War of 1812," this book draws on research done for that television series.

From reader reviews:

Bobby Miller:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their spare time with their family, or their own friends. Usually they carrying out activity like watching television, planning to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? May be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled War of 1812 can be excellent book to read. May be it could be best activity to you.

Allen Ellis:

The particular book War of 1812 has a lot of information on it. So when you check out this book you can get a lot of advantage. The book was published by the very famous author. The author makes some research previous to write this book. This book very easy to read you can find the point easily after looking over this book.

Bruce Crawford:

This War of 1812 is great reserve for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great organize word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with splendid delivering sentences. Having War of 1812 in your hand like keeping the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world inside ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt which?

Jason Howell:

What is your hobby? Have you heard in which question when you got pupils? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person such as reading or as reading through become their hobby. You have to know that reading is very important and book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update regarding something by book. Different categories of books that can you take to be your object. One of them are these claims War of 1812.
