**Women in Long Island's Past: A History of Eminent Ladies and Everyday Lives** Natalie A. Naylor  
Women have been part of Long Island's past for thousands of years but are nearly invisible in the records and history books. From pioneering doctors to dazzling aviatrixes, author Natalie A. Naylor brings these larger-than-life but little-known heroines out of the lost pages of island history. Anna Symmes Harrison, Julia Gardiner Tyler, Edith Kermit Roosevelt and Eleanor Roosevelt all served as first lady of the United States, and all had Long Island roots. Beloved children's author Frances Hodgson Burnett wrote *The Secret Garden* here, and hundreds of local suffragists fought for their right to vote in the early twentieth century. Discover these and other stories of the remarkable women of Long Island.

#### **Stephanie Matias:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Women in Long Island's Past: A History of Eminent Ladies and Everyday Lives can make you feel more interested to read.
