## Crusade in Jeans Thea Beckman

Fifteen-year-old Dolf uses a prototype time machine and gets stuck in the Middle Ages. Trying to find his way back to the twentieth century, he joins a children's crusade of almost ten thousand children on their way to the Holy Land. Dolf helps the children defy the terrible mountains, conquer disease and fight evil knights. Slowly, Dolf begins to realize that the real danger does not lurk behind the next mountaintop, but rather within the crusade itself.

*Crusade in Jeans* was first published in 1973. It became an overnight success, making Thea Beckman one of the most popular authors of juvenile books in Europe. In 1974, *Crusade in Jeans* was awarded The Golden Pen (the most prestigious Dutch national award for children's books). In 1976, the Province of Trento, Italy, named it the Best European Historical Juvenile Book. In 2006, the book was turned in an award-winning movie picture featuring Emma Watson, Michael Culkin, Joe Flynn and Stephanie Leonidas. Awards included top honors at Toronto Sprockets (2008) and the Children's Jury Award at the Chicago International Film Festival (2007).

This great information can drawn you into brand new stage of crucial imagining.

#### **Irma Tijerina:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Crusade in Jeans can make you experience more interested to read.
