Fareham Revisited

Michael Stephenson

Fareham Revisited Michael Stephenson

Fareham Revisited started out as a poem, which Michael Stephenson was inspired to write when he was reflecting on how much his home town had changed since the 1950s and 1960s. The poem and its sentiments struck a chord with so many people that he decided to write a book about Fareham that would evoke more of these memories. The book was privately published in 2004. This new revised and expanded edition will delight anyone who remembers the town in its heyday - and will also intrigue newcomers. Part-memoir and part-history, Fareham Revisited perfectly captures the allure of the shops and cafés along the 'Golden Mile', the alleyways or 'drokes', the old cottages, the market with its livestock, the coal barges at the Quay and the well-known characters, including dairy boss Tom Parker who drove around Fareham in a four-horse-power carriage, though his milkmen still used the horse-and-cart. For bus and railway enthusiasts this, too, is the perfect book, as the author casts an expert eye on the bus companies that plied their trade in Fareham, with their distinctive livery, and remembers the last days of steam trains, of which he had a privileged view, as the house in which his family lived was next to the railway line.

From reader reviews:

Lewis Wood:

The book Fareham Revisited can give more knowledge and information about everything you want. So just why must we leave the great thing like a book Fareham Revisited? Several of you have a different opinion about book. But one aim this book can give many info for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or info that you take for that, you can give for each other; you could share all of these. Book Fareham Revisited has simple shape but you know: it has great and large function for you. You can appearance the enormous world by wide open and read a publication. So it is very wonderful.

Robert Bell:

In this 21st one hundred year, people become competitive in every way. By being competitive currently, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yes, by reading a reserve your ability to survive boost then having chance to remain than other is high. To suit your needs who want to start reading any book, we give you this Fareham Revisited book as beginning and daily reading publication. Why, because this book is greater than just a book.

Michael Farrell:

Precisely why? Because this Fareham Revisited is an unordinary book that the inside of the guide waiting for you to snap this but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Helene Anderson:

A number of people said that they feel bored when they reading a book. They are directly felt it when they get a half regions of the book. You can choose the particular book Fareham Revisited to make your current reading is interesting. Your current skill of reading skill is developing when you like reading. Try to choose simple book to make you enjoy to see it and mingle the opinion about book and studying especially. It is to be initial opinion for you to like to open up a book and go through it. Beside that the publication Fareham Revisited can to be your brand-new friend when you're feel alone and confuse with the information must you're doing of that time.
