## **Government and Business: American Political Economy in Comparative Perspective** Richard Lehne

In this thoroughly updated edition, Lehne takes a comparative approach, evaluating the U.S. political economy with respect to those of Great Britain, Germany, Japan, and the EU. The book provides detailed historical context for, and a conceptual understanding of, the business-government environment, and then clarifies the roles of the major actors and outlines the regulatory and policy frameworks. Along the way, Lehne probes some of the most crucial dilemmas facing government and business today.
