Majoring in Psych?: Career Options for Psychology Undergraduates (2nd Edition) Betsy Levonian Morgan, Ann Korschgen

Focusing on the multiple ways for students to enhance their marketability while still in school, this guide answers the career planning questions most psychology majors find themselves asking. This friendly guide looks at psychology as both a discipline and a liberal arts degree. The authors have compiled information to help students demystify the process of career development. Using a question-and-answer format, this valuable resource shows students how they can take an early and active role in shaping their professional paths. The humorous, down-to-earth tone makes this book accessible to all students. For undergraduates majoring in psychology.
