## **The Amateur Garden** George Washington Cable

This early work on landscape gardening is a fascinating read for the gardener and historian alike, but also contains much information and anecdote that is still useful and practical today. All the work described is well within the scope of the ordinary man or woman with no previous experience, and no tools will be required that are not in the ordinary household toolbox. Extensively illustrated with working diagrams. Contents Include: Laying Out the Plot - "Labour-saving" Gardens - Stone Edging - Wood Edging - Laying Out the Lawn - The Oval or Circular Lawn - The House Step; Crazy Paving; Imitation Crazy Paving; Bird Baths and Sundials; Non-Rustic Screens and Arches - A Rectangular Trellis Screen - A Semi-Circular Trellis Screen - "Rising Sun" Trellis - A Trellis Fringe - A Trellise Window - Arches - A Four-Way Arch - An Arch Pergola; Rustic Work - Rustic Summerhouses; Garden Furniture: Seats, Tables, Etc. - A Simple Garden Seat - Garden Chairs - A Garden Table; and Ornamental Ponds. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

### From reader reviews:

#### **Gina Dana:**

Book is written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. As you may know that book is important thing to bring us around the world. Adjacent to that you can your reading proficiency was fluently. A e-book The Amateur Garden will make you to be smarter. You can feel much more confidence if you can know about every little thing. But some of you think in which open or reading the book make you bored. It is far from make you fun. Why they can be thought like that? Have you seeking best book or acceptable book with you?

#### **Ronda Hagerty:**

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining like comic or novel. The The Amateur Garden is kind of book which is giving the reader erratic experience.

#### **Richard Cary:**

Your reading sixth sense will not betray anyone, why because this The Amateur Garden reserve written by well-known writer who really knows well how to make book that may be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your own hunger then you still uncertainty The Amateur Garden as good book not merely by the cover but also by the content. This is one publication that can break don't determine book by its include, so do you still needing one more sixth sense to pick this specific!? Oh come on your looking at sixth sense already alerted you so why you have to listening to another sixth sense.

#### **Christopher Bohner:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Amateur Garden can make you sense more interested to read.
