High on a mountainside, Little Brown Bear leaves the warmth of the den. He wrinkles his nose, stretches a paw, and with a deep breath, he goes out to explore. Meanwhile, where it snows and snows, Little Snow Bear leaves the warmth of her snow cave. She wrinkles her nose, stretches a paw, and with a deep breath *she* goes out to explore.

Little Brown Bear and Little Snow Bear may be different on the outside but inside they are just like each other. So when they are brought together by chance, a very special and enduring friendship develops.

*Two Little Bears* is a warmhearted tale of friendship and discovery ? a reassuring and uplifting hug of a picture book.

Brilliantly read by Lenny Henry. Please note that audio is not supported by all devices, please consult your user manual for confirmation.
