There are also short exercises and answer keys at the end of each book. CONTENT OF THIS BOOK: One winter night, a teacher was on her way home. Suddenly she fell down from her bicycle in front of a car. The driver stopped his car right away and brought the teacher to a hospital nearby. The nurse asked, "The patient's name, please? What is the problem? Are you her relative?" The nurse asked quite a few questions. But the driver answered nothing. He then quickly disappeared... In the end, however, the teacher still saw the driver.
