Alexandre Berthier

Campagne d'Égypte: Mémoires du Maréchal Berthier (Complete) (French Edition) Alexandre Berthier
Tout devait faire craindre que l'escadre anglaise, paraissant d'un moment à l'autre, ne vînt attaquer la flotte et le convoi dans une position défavorable. Il n'y avait pas un instant à perdre; le général en chef donna donc, le soir même, l'ordre du débarquement; il en avait décidé le point au Marabou; il avait même ordonné de faire mouiller l'armée navale aussi près de ce point qu'il serait possible; mais deux vaisseaux de guerre, en l'abordant, tombent sur le vaisseau amiral, et cet accident oblige de mouiller à l'endroit même où il est arrivé. La distance de l'endroit du mouillage; éloigné de trois lieues de la terre; le vent du nord qui soufflait avec violence; une mer agitée qui se brisait contre les récifs dont cette côte est bordée; tout rendait le débarquement aussi difficile que périlleux; mais ces dangers, cette contrariété des élémens ne peuvent arrêter des braves, impatiens de prévenir les dispositions hostiles des habitans du pays.
