## **The Book of Harold: The Illegitimate Son of God** Owen Egerton

*The Book of Harold* is as profound and deeply respectful a novel as it is irreverent in its wild, often hilarious take on a modern messianic movement in suburbia. The titular and sometimes exasperating hero of this masterful satire is Harold Peeks, a middle-aged suburbanite living a lonely if typical modern life in the outskirts of Houston, Texas. His world feels bland and pointless until one evening at a mundane office party he announces to his stunned co-workers that he is the Second Coming of Christ. Oddly enough, people start to believe him.

Blake Waterson, Harold's closest friend and narrator of the novel, is as skeptical as anyone of this disheveled and disconcertingly bawdy Savior and yet this would-be Judas is compelled to follow Harold on his two-hundred mile walking journey to Austin with a mismatched group of equally puzzled disciples. On the road, this motley crew of witnesses to the holy get to experience misguided converts, violent possums, and the ungrateful recipients of off-kilter healings. They also discover the inherent paradoxes, absurdities, and dangers of spirituality, as they learn that saviors may not have all the answers, and humanity is just as bizarre and beautiful as the beliefs we hold.
