The Walrus on My Table: Touching True Stories of Animal Healing Anthony Guglielmo, Cari Lynn

Several years ago, massage therapist Anthony Guglielmo got a call for a strange appointment. "Will you massage my horse?," one of his clients asked. And so began Anthony's strange and wonderful adventure into the world of animal massage.

In *The Walrus on My Table*, enter a world where dolphins line up to take turns for their massages, beluga whales lean in for better contact, and high-strung horses grow calm and manageable under Anthony's soothing touch. Discover animal friends you will never forget. Meet:

* Nuka, the 1,800 lb. walrus. A series of injections left Nuka's muscles severely constricted on one side of her body, and this gentle animal could no longer swim.

* Molly and Josephine, two playful elderly dolphins. Though at first reluctant to allow Anthony's touch, by their second session these two line up impatiently, eager for his attention.

* Mambo Point, a racehorse who just couldn't win. Mambo's owner knew that this horse had potential... so why wasn't he performing up to his ability?

* Rudy, the hump-backed penguin who wasn't expected to live. Born with a life-threatening condition that made breathing difficult, Rudy's future looked uncertain...

* Reddog, who loved to sleep on his owners' forbidden bed-until a sprain got him caught in the act.

* Mickey, an independent Tabby, who relaxes so completely under Anthony's hands, she topples right over!

* Tab and Presley, the prankster bachelor dolphins of the aquarium, who love to play tricks on their trainers.

* Baby, the recipient of the first ever shark massage.

So, dive in and romp with Nuka and friends...and enjoy!
