It all started in Sausalito, California, in 1982, when Anne Herbert scrawled "practice random acts of kindness and senseless acts of beauty" on a place mat in a restaurant. From there it spread to bumper stickers, quietly at first, but with the powerful momentum of something important calling us to lives of caring and compassion. The bestselling book, *Random Acts of Kindness*, which includes touching stories, quotations, and thoughtful suggestions, creates a feeling of possibility that can propel us into lives of compassion.

The Editors of Conari Press have produced the bestselling *Random Acts of Kindness* series, with over 1 million copies sold.
